What is Green Owl Gallery?

A 3,500 square foot space in downtown Aitkin, Minnesota that offers the work of over 30 local artists & crafters as well as Art & Craft supplies and unique, artistic gifts.

Green Owl got its start in its sister store Wise Skye Gifts which closed in Sept. 2019. Art & Craft fairs were held in the back of Wise Skye on weekends and as the artists talked about the possibilities of having a retail storefront, Green Owl was born.

The name is inspired by the owner's love of owls. It also calls to mind curiosity, happiness & possibility.

Why consider being part of Green Owl Gallery?

It gives you a high profile place where you can set up your own mini-shop.

It gives your current customers a place where they can purchase your goods anytime.

It greatly broadens your current customer base.

A reasonable monthly rental rate that is much lower than the cost of doing just one art fair.

All of the items offered are handmade or repurposed - primarily in Central Minnesota.

All the artists & crafters selected to participate will be juried to ensure we keep a quality mix. We want a fun mix of goods so we plan on allowing items such as cleverly designed tees, cute kids clothes & accessories, baby goods, candles, soap, creams & even locally made edibles.... as long as the items fit the flavor of the store.

We will be conscious to not over saturate the space with similar styled art wares.

Since we take care of promoting & selling your art, you can spend more time making it.

Greater exposure which leads to greater sales which lead to making a living doing what you love.

We will need to know if you want to renew your contract at the beginning of six weeks prior to your last month. If you want to renew with another space size or location that is open, we will do our best to accommodate.

Our goal is to have all spaces rented at all times.

Once your contract is up & you do not renew, we cannot guarantee a space for you if you want to return to Green Owl Gallery at a later time.

Green Owl Gallery was inspired by a similar concept in Berkley, MI.

Green Owl Gallery was created so artists would have another, low cost opportunity to market their work other than art fairs, Etsy & wholesale.

Green Owl Gallery was also created so folks in Central Minnesota would have a place where they could buy a large variety of amazing handmade wares & know ALL their money spent there is staying in the local area.
